

Subject:	USE OF TOBACCO PRODUCTS
Section:	PPG# 2445
Chapter:	Personnel
Effective Date:	7/1/98

POLICY

Use of Tobacco Products

In recognition of the Washington Clean Indoor Air Act and the need to maintain fitness among department staff members, the board of commissioners prohibits the use of tobacco products on all department-owned or controlled property or within any department vehicles, stations or equipment. This restriction applies to all personnel including visitors to the station.

A staff member who reportedly violates this policy may be subject to disciplinary action and/ or discharge.
